

Questioning God: When?
Habakkuk 2:1-5

"I will look to see...."

HABAKKUK – an argument between the man & God
- permission for us to be blunt with the Almighty

PICTURE THE SCENE

- Habakkuk's posture: what do you imagine?
- any thoughts as to why it is so vague in the text?
- What God DOESN'T do.....
- What God DOES do.....

PATIENCE

- What default posture do people today often take towards God's answers to our prayers? Is that different from 100 years ago? 500? Why?
- 2 Peter 3:8 reminds us....
- Mark 13:32 teaches us....

PERMISSION

- in what ways might we see “God helps those who help themselves” sneak into our lives, or that of our church?
- the lesson from Abraham, Sarah & Hagar (Genesis 16)
- Can we really give permission to a Sovereign God?
(consider Ephesians 4:30 & 5:18; Mark 9)

PERSPECTIVE

- Reflect on John 13 – what the disciples understood and didn't of Jesus' greatest work....
- do we REALLY believe that the God of John 13 will accomplish Romans 8:28?
